

2024 Growth Playbook: 6 Inspiring Things You Can Do This Year to Drive Your Business Forward

(HQL Solutions) is distributing this content on behalf of PayPal.

Forget what you think you know. In this latest exclusive PayPal report, we asked 2,047 UK consumers how they shop online and what 623 companies do to meet their expectations. So now your organization has real data to make informed decisions.

So, grab your copy of the report now to learn more about:

- The UK's e-commerce landscape.
- What makes (and breaks) a sale.
- Buy now, pay later growth and demand.
- Security expectations.
- AI-commerce trends.
