

Reimagine teamwork with Zoom

Workplace

Communication and collaboration is in a transformational era. To embrace rapid AI innovations and the changing needs of employees, businesses need to reimagine how their teams communicate and collaborate, both internally and externally. Introducing Zoom Workplace, our AI-powered collaboration platform, designed for this next phase of work. Join us as we discuss the future of work and take a live look at how Zoom Workplace is helping companies of all sizes:

- Streamline communications with a single app
- Increase employee engagement
- Optimize office experiences and in-person time
- Improve productivity across teams, locations, and time zones
- Drive impact with AI
